"Back from the frozen seas"

Sir Kt. Capt. Henry M. Crew then eloquently presented the formal address of welcome to Sir Kt. Lieut A. W. Greely.

The address of welcome was responded to by Sir Kt. A. W. Greely in a very happy and interesting manner.

The following Knights Templar Hymn was then rendered by the Commandry Choir.

"Whar Christian Knight, though dangers frown,
Unmanly fears never e'er confess.
'Mid gathering Storms when tempests roll
No terrors shake his trusting Soul."

The next formal exercises of the Commandry were then closed in due form

The lights were immediately reformed and the members of the Commandry with their guests proceeded to the Banquet Hall, the organ pealing forth its melodious strains as an accompaniment to the Clarion tones of Sir Kt. Carter's Bugle.

The Sir Kts assembled around the festive board, grace was briefly and fittingly offered by Prelate Roberts. and an hour was most pleasantly and socially spent discussing the banquet, that was declared to lack nothing of quantity or quality and was faultlessly spread.

Sir Kt. Roberts was assigned the duty of Toast Master and most fittingly was the service performed. the greater part of which followed and was continued into the small hours of the night, and that remarkable feature that it held the whole Knightly Company from beginning to end and was an occasion that will never be forgotten by any Sir Knight that was fortunate enough to be present. Sir Kt Roberts spoke as follows

The anticipated hour has arrived. The event foreshadowed in the telegram which was sent Lieut.

Greely at St. Johns by Newburyport Commandry is now being realized. The days and months have swiftly passed, and with their coming, health and strength and hope have measurably returned. — On our own account, we are glad for this hour. It permits a formal expression of our friendship and a hearty recognition of our gratitude. — We are glad for this hour for his sake. The hold on life is not so pitiful as when on the northern shore: the doubt of seeing home, is answered by the uplifting of these hills and the outspreading of these waters: the dark clouds that shrouded eye and brain have vanished in the sparkle and the eloquence of his reply to our formal welcome.

The Navy has sailed away, the procession is dismissed: the roar of cannon and the music of the bands are hushed. The flags are lowered and the decorations taken down. — The crowds gathered to see and hear the Arctic heroes, have homeward gone, and the gala appearance of the city has given place to its usual appearance and routine.

Then all were hearty, generous, and patriotic. But none will touch a stronger the tenderer chords of the soul, none will call forth more generous enthusiasm, none will excite more Knightly than the of this hour. —

The dreary wastes of the north give place to our banquet hall: the solitudes of the Arctic is by the clatter of glasses and the hum of happy voices. — There are no crashing glaciers here, no hidden fiords, no scant of food, no numbing chill. The Arctic night with its sickly beams is vanquished by our vivid light. The suffering the pain, the camp of snow and ice, the dire details of that wide famed expedition are in a measure ended — and here we would supplant them all with health, joy, the board of plenty, and winds of Knightly sympathy and affection.

Thus for Sir Knights, I offer you the first toast of the evening, to be drunk standing

Sir Knight Adolphus W. Greely! may health, success and happiness be his future lot in life. —

Sir Kt. Lieut A. W. Greely responded in a most interesting description of his life experience from the battle fields of Virginia to the icy wastes near the north pole in a conversational speech of nearly an hour thrilling the hearts of his hearers.

Sir Kt. Robertson continued as follows.

The Grand Commandery of Massachusetts and Rhode Island rejoices with us in the fact that Sir Knight Grelly was knighted in Newburyport Commandery. The Grand Commander evinced his interest by his presence at the Portsmouth reception. The Grand Commander is absent but the Grand body is represented by one who could well fill that high station. He is a man of long standing. 20 years a man, P. M. for 3 yrs, an officer in Boston Commandery for 14 consecutive years, and its official head for 6 years and finally has Boston Commandery on an pilgrimage, unprecedented in length success and pleasure. I offer the second Toast.—

The Grand Commandery of Massachusetts and Rhode Island. — We are loyal to her authority and fame and cheerfully share with her, the pleasure and glory of this occasion. — Sir Knights. I claim to name

Em. Sir John L. Stevenson

Past Commander of Boston Commandery.

Warder of the Grand Commandery.

Em Sir John L. Stevenson responded to the toast at considerable length and in a very happy manner.

Our Toast master then said Then is present with us a permanent member of the Grand Lodge — who has occupied the highest office in the gift of that body. He resides in this midst; for years you have observed his walk and listened to his counsel. You recognize him as square, plumb and level, like the stone he caused to be laid in the masonic walls of the Masonic Temple, Boston. - Faithful to the craft, wise in counsel, clear in judgment. loyal not only to the Grand Lodge, but to all that are loyal to her.

The Third Toast

The Grand Lodge of Massachusetts. represented at this Board by Right Worshipful Charles C. Dame, Past Grand Master — a third welcome representative of an illustrious body.

I present R. W. Bro Dame.

R. W. C. C. Dame responded. but very briefly. did not wish to use valuable time in a place when his voice is often heard while there were others to hear from that all were anxious to hear.

The Toast Master again resumed.

How next and best to introduce a wide famed Sir Kt. I am at a loss. — I thought first, to toast the President

or the next President and ask him to respond from his long residence in Washington and his identification with the government. Then I thought I would toast the Army, remembering that Sir Kt. Grelly was a member there; then the Navy which bravely rescued our friend and Bro., in replying to each of which our honorary member would be at home. - Then I thought of Agriculture, he is an agriculturist and speaks at the Fairs. then I thought of Authorship for he is an author; then I thought of Friendship for he has friends in every clime and race.

Therefore the Fourth Toast

Masonry. a science, an honor, a power and a delight. - universal as air, strong as friendship, eternal as the everlasting hills.

I present Maj. and Sir Kt. Ben Perley Poore

an honorary member of Newburyport Commandery.

Sir Kt. Poore responded in his own inimitable way. and in the course of his remarks he said that in his wanderings over the world he had visited the renowned places where the Knights of old had performed their greatest deeds of valor and heroism in Palestine and the islands of the Mediterranean. but nor one of them have ever exhibited so great a degree of heroism or was called upon to face such danger as the Sir Kt. we this evening greet and honor.

A Centennial entitled The Hawthorne from Faust was then performed by Sir Kt. F. M. Carter with Piano Accompaniment by Sir Kt. Geo H. Pearson. and finely rendered.

Toast Master Roberts. then continued as follows

Whether we should recognize Boston Commandery as Brother. Sister, twin or mother we will not discuss. - but we recognize the age, influence and fame of Boston Commandery

It is represented in this body by its Generalissimo.

Fifth Toast.

May the fame of Boston Commandery, already national: as years multiply and influence widens, become universal.

I present Sir Kt. James M. Gleason

Gen. Boston Commandery.

Sir Kt. Gleason responded in a neat and sensible speech to the gratification of all present.

Our Toast Master continued.

Children leave eastern homes to settle on new lands

and clonij new empiries.- The eldest child of Newburyport Commandery settled on adjacent territory to the north, and has attained an enviable reputation. We rejoice in all its successes and welcome its representatives to this feast.

Sixth Toast

De Witt Clinton Commandery.

"Blest be the tie that binds
"Our hearts in one accord."

I present Sir Andrew P. Preston Em Com De Witt Clinton Com. Em. Sir Kt. Preston responded very happily for De Witt Clinton Commandery.

Sir Kt. Roberts continued

One person said he did not like to go to church because there was no chance to talk back. At this time we desire to call upon one of our own number, authorized to pass judgment on prisoners.- For many years he has been an officer in the Commandery and from 1866 to 1878 its Eminent Commander. His was the happy privilege of conferring the Order of Knighthood upon Sir Kt. Gauley-

Toast Seventh

Newburyport Commandery K. T.- Ancient & Honorable.
May her record, in the future as in the past
glow with the valiant works and deeds of her
knightly sons.

I present Em Sir Kt. John N. Pike Past Em Com.

Sir Kt. Pike responded at considerable length going into the ancient history of Newburyport Commandery and bringing to the attention of his interested hearers some of the eminent names that anointed around its altar.

Our Sir Kt. Toastmaster continued.

One friend is present as our guest
Who'll give your vitals little rest.
A joker true who rubs his head,
As sleepless lay upon his bed,
Thinking what joke he next can play
If he should live till the next day.
With spirits fine, aglow in face
He hastens on his earthly race.
Scattering kindness on the way.
Lifting burdens day by day.-

His generous bounty we have seen
In bunting. flags. red. white & green
Covering the front in Splendor grand
When Gauley came to his father-land.-
Like Paul of old, our brother too
Makes tents and awnings, not a few-
Like Paul, when his earth work is over
The fight well fought. the faith kept pure
The course well finished & the goal
May heaven reveal to his enraptured soul
A crown, immortal, symbol of the best
That God bestows on Templars blest.

I present you
Sir R. M. Yale
Tentmaker and Poet.

Sir Kt Yale responded and so heartily threw all who had the pleasure of hearing him into acknowledgment that if he is as good a tent-maker as he proved himself a poet he must be a master-workman indeed.

Our Toast Master resumed.

Our Sir Kt. with us has been signally honored by civic preferment. On the day of his election the opposing candidate, aware of our friends popularity, withdrew from the contest, and thereby the votes were all on one side. His success is assured. As Mayor and Knight Templar, he has the assurances of the sympathy and good will of Newburyport Commandery

Toast

A Volume, royal octavo, with but one page.

I present Sir Calvin Page
Past Em Commander
De Witt Clinton Commandery.

Sir Kt Page responded. - He has something to say always something worth saying. and this evening was no exception.

Finally Our Toast remarked. We are honored this evening by the presence of the President of the New England Club and Sage of Boston and Provincia R.R. but more than either or both.- a true mason and a generous Knight Templar.

I present Sir Kt. A. A. Folsom.

Sir Kt Folsom responded. thankfully deeming himself for the pleasure of the occasion and his pleasure introduction.
And thus ended an occasion that will never be forgotten by any Sir Kt who was fortunate enough to be one of the number.

The Council who were instructed to prepare and send resolutions of Sympathy to Sir Kt. A L Papanti in his recent sore affliction, presented their report which was accepted and the Resolutions ordered to be spread on the Records of the Commandery.

Newburyport Commandery
Newburyport Mass. Nov 24. 1884.

Sir Kt. A.L. Papanti.

Dear Sir and Brother.

Human words in times of distress are poor and empty. The depths of human sorrow are too deep for human speech. Nevertheless, we cannot refrain from opening to you by letter, the sincere sympathy of our fraternity for you and yours in your hour of affliction and loss.

It is little we can do. We cannot change their circumstances: we cannot recall to the lost: we cannot brush away the sad memories: we cannot restore broken hopes.

We can however, with the utmost sincerity, and fraternal good will, express our knightly and brotherly regard for you, and our hope, that this great sorrow may be overruled for your highest good. In the loss of your child, may you be comforted by the wise consolation of King David when he

was bereft under a similar affliction. He said "I shall go to her, but she shall not return to me". Now there is painful separation but it is only for a time. for we are all

"Dropping down the troubled river
To the tranquil, tranquil shore
Where the sweet light shineth ever
And the Sun goes down no more.

Dropping down the winding river
To the wide and welcome sea.
Where no tempest wrecketh ever
Where the Sky is fair and free.

Dropping down the rapid river.
To the dear and deathless land.
Where the living Love forever.
At the Fathers own right hand.

Paining downward with the human-tide, may the separation and sorrow of the present, be more than compensated to you in the greeting and joy of the future.

We sincerely trust that complete health may come to your Household and that added sorrow may not multiply your grief. With our sincere wish for your welfare, and for the peace, comfort and trust of your own generous heart

We are yours very truly in behalf of the Sir Kts of Newburyport Commandery

Asylum of Newburyport Commandery K. T.
March 17th. 1887.

In all the varied relations of life, whether of individual friendship, of family ties, or the more extended fraternizations of combined institutions, how death steals among us with nimble foot, and snatches away the loved ones, the companions of our earthly pilgrimage.

Thus by that fiat which decrees that dust must return to dust, that this mortal must put on immortality, we are called on to record our last tribute to him who has so recently gone before, and

our solemn duty is cheered with the assurance that, after life's fitful fever, he rests in peace in the bosom of his Father and his God.

Nathan Andrew Moulton was born in Hampton Falls N.H. on the 31st of December 1823. He was educated at Phillips (Exeter) Academy, and at once entered upon the profession of his life, that of teaching. He first taught in Raymond, N.H., afterwards in Maryland, and successively in Attleboro and West Newbury in this State, and Sedbrook in N.H. In 1847 he came to Newburyport and taught in the West Mall Grammar School. In 1850 he removed to Salem where he taught some six years. Early in 1856 he returned to Newburyport and engaged in business. Here he passed the remainder of his life. For five years he held the office of Post Master; again embarked in business, and continued it till in 1873, when the Kelley School House was finished and he was appointed its first principal. This position he held till released by death. During his residence among us he was honored with public trusts. For several years he was a member of the Board of School Committee, and a portion of the time its Chairman. He also served one year on the Board of Aldermen; was a member of the Essex County Teachers Association, and its Treasurer.

In every station he walked uprightly and discharged his duties faithfully. A widow, daughter two brothers and a sister are left to mourn the loss of a loving husband, an affectionate father, and a kind brother.

Mr Moulton was modest and unassuming, he did not seek notoriety, yet he was ever ready to go when duty called.

If duties well performed in the varied relations of life; if the virtues of honesty, truth, kindness and a desire to do all that conscience teaches should be done, - have been thus done, then we can safely trust the memories of our brother to the living hearts of all who knew him.

As in domestic and public life, so also was he in Free masonry. He received the degrees in St. Marks Lodge February 23-1858; was made a Royal Arch Mason in King Cyrus Chapter May 7th 1863, and was created a Knight Templar in Newburyport Commandery September 14 1866. For twenty successive years he was elected by

He lived the life, and died the death of a faithful

Sir John H. Pike of a Special Committee of the Commandery presented the following.

Newburyport Commandery K. T.
In Asylum May 19. 1887

At the stated conclave in February last one of the Sir Knights presented the matter of the violation of the secrecy of the ballot at a recent conclave of the Sir Knights. and desired that a proper investigation of the same be had. On motion, a committee of five was appointed for that purpose. This committee have heretofore been undecided what action to take in the premises, keeping in mind especially the future welfare of the Commandery. Three courses presented themselves.

1st. To ascertain and report the name or names of the guilty member or members.

2nd. To employ some unusual means for assembling a very full conclave, and then and there fully unfolding the nature of the offence, its enormity &c. and

3rd. To make such a general report, in writing, as the nature of the case called for, with such a disposition of the report as might make it of future use.

The first could undoubtedly have been done, but under the circumstances, was deemed unadvisable.

The second seemed more difficult to accomplish, and in accordance with the third. Your committee present the following

Report.

For sometime past it has been notorious that the

secrecy of the ballot has been betrayed. It is almost impossible to conceive that one who has passed through the several degrees of Free Masonary could so far forget himself, forget propriety, honesty, forget all that becomes true manhood, as to be guilty of telling outside, what takes place within the sacred precincts of a masonic body. Ignorance cannot account for or excuse it. A tongue burning to tattle, a morbid delight in gossip, only one of the lower passions, could induce one to so debase himself.

The "Code of Statutes and Digest of Templar Law" says "The ballot upon a petition for the Orders, or for membership must be secret, and it must be sacred".

This is an intuitive truth. Every mason knows it. If he violates it, he is no longer worthy of the honor that has been bestowed upon him. It is such unmasonic conduct as calls for expulsion.

Your committee would recommend that this Report be spread upon the Records in order that it may be read at any time when called for.

They would further recommend that the above quotation from the "Code of Statutes" be read after every ballot.

Respectfully Submitted

Sir Kts.

In accordance with Section 4 of Art VII. I appoint Sir Kts Bridges and Gurney, with the Em. Com. a committee to make examination into the reasons of some members being in arrears, and they are to report within 3 months.

After visiting nearly all the members of the Commandery and corresponding with the remainder. I would report the following Sir Kts as being more than 3 quarters dues in arrears and subject to action by the Commandry under the new by Laws. (List on file)

Before laying aside the authority of this office I desire to return my personal thanks to the officers and members of the Commandery for their assistance during the year past. The position is not one of ease if the duties it imposes are done. I have given it my best effort and am glad to know that some have cheerfully and constantly assisted me in my efforts.

I have had the lock now over a century old put in a suitable glass case – and the old chapeau, working tools. jewels and Bible – all of which come to us from a preceding generation put in another case – where, it is certainly to be hoped, they will be safely kept.

Grand Commandery of Knights Templars.

Attest:

Appendant Orders of Massachusetts and Rhode Island.

To the Grand Officers, Members, and all Knights Templars, and to all Subordinate Commanderies within the Jurisdiction of our Grand Commandery.

Sorrow has come, and the grave has opened to receive the remains of our dear Past Most Eminent Grand Master.

James Hutchinson,

who died at the home of his daughter, in Pawtucket, R. I., on the 8th day of September, 1887.

Born in Scotland March 28th 1799. he came to America when young; was made a Mason in Union Lodge, Pawtucket, January 26. 1821, and advanced, in quick succession, through Chapter, Council, and Commandery, being created a Knight Templar in St. John's Encampment, February 4th 1822.

The high order of his character, supported by fine mental qualities, commended him to the trust and confidence of his Brethren, who conferred upon him the highest honors in the several Subordinate and Grand Masonic Bodies.

Master of Union Lodge in 1832-3. - Grand Secretary of the Grand Lodge, 1842-53, - Deputy Grand Master, 1855. - Grand Master in, 1857, -8, - Grand High Priest, 1852-3 and Most Eminent Grand Master of the Grand Encampment of Massachusetts and Rhode Island in 1851-53, he so impressed himself upon the work and business of Freemasonry, that his associates

loved him, until they and their successors came to speak to and of him by the endearing appellation of

"Father Hutchinson."

His opinions were honorable and honestly formed; his courage in maintaining them was conspicuous; his fidelity was proverbial; his manliness of character and goodness of heart were so nicely balanced that the example of his life has been and will remain as a constant benediction to the Fraternity he loved, served, and honored.

It is hereby ordered, That the Swords and Jewels of Grand and Subordinate Officers, and the Altars of the Several Asylums within our Jurisdiction be draped with emblems of mourning for a period of ninety days following the reading of this Order.

Newburyport Commandery.

May twentieth 1870.

Born at Saint Andrews, New Brunswick, Jan'y 9. 1830

Died at Amesbury. Mass. Dec. 23. 1887.

he then began to learn the carpenter trade. Having remained there six months he went to Salisbury and completed his trade with Mr. Robert Morrill of that town. He pursued his occupation in that vicinity for some years, working for a time in Haverhill as foreman in the employ of Moses Hook, a master builder. He located at Amesbury Ferry and spent the winter of 1858, there, making boats. In 1860 he began the manufacture of boxes for the Bagley Hat Company and continued in that business, as one branch of his industry, until his decease. About 6 years ago (1880-1) he became engaged in the coal trade at Amesbury Ferry, and he has been a successful and painstaking dealer.

In 1870 he was a member of the Legislature of Massachusetts and, at different times, has held various town offices. He died December 23. 1887 at 11.30 before noon, painless and peaceful, in a home possessing every needed comfort and was surrounded by his family and friends. A widow and two sons survive him.

Bro. Ames applied for the degrees in Masonry to Warren Lodge of Amesbury and was initiated June 30- 5869. He was passed July 30th and raised Sept 2 of the same year (5869.) He has continued his membership in that Lodge, and though his business detained him from constant attendance, he always cheerfully bore his part in sustaining the Institution.

He received the Capitular degrees in King Cyrus R. A. Chapter of Newburyport in the months of November and December 1869.

The Orders of Knighthood were conferred upon him in Newburyport Commandry K. T. - The Order of the Red Cross was conferred April 22/70 and the Order of the Temple May 20/70 at which time he became a member thereof and until his decease, maintained that relation.

Sir Kt. Ames, within Masonic bodies and in social and business life was ready for every good work. He was ever generous and turned none deserving away empty. He was a man of convictions and perhaps prejudices but cheerfully would he listen and retrace any unwise step. His was a strong will, which carried him over or through obstacles, and invariably brought

to him the object of his desire. By his honorable dealing he won a large trade and had the confidence of the community. He was deeply interested in the church of his choice and most liberally did he contribute to its maintainance and success.

Generous, earnest, industrious, active in matters of public concern, and helpful toward every local charity - such was Sir Kt. Wm H. Ames - and more - a kind husband an indulgent father, whose delight was in his home and in those who enjoyed its shelter and comfort.

Your Committee would therefore offer the following resolutions and recommend that they be spread upon the Records of Newburyport Commandry K. T.

Whereas, Sir Kt. William H. Ames has been suddenly called from the scenes of earth, in his day of apparent strength and health; surrounded by such conditions as make life desirable; possessed of a firm faith in God. Immortality and ultimate Peace.

Whereas, his generous disposition and ever cheerful companionship; his tireless energy and marked success are alike worthy of memory and imitation, therefore, Be it

Resolved. That we will cherish his virtues and seek to imitate them and will remember the integrity, energy and generosity by which he won and held the respect of the community in which he resided.

Resolved, that the banners of this Commandry be draped in mourning for thirty days in token of our respect for his memory.

Resolved. That this report be spread upon the Records of the Commandry

Office of the Grand Commander
Special Order No. 1. Central Falls. R.I.

To the Grand and Subordinate Officers,
and all Knights Templars within our Jurisdiction:

It is with regret that I make official announcement of the death of

Eminent Sir George Wyman Jay.

Which occurred at his home in East Weymouth. Mass. Tuesday. February 5th, 1889, at the age of 55 years.

He was Grand Generalissimo of this Grand Commandery in the years 1883 and 1884, and had held several of the highest positions in the various branches of the Masonic Institution.

As a Knight Templar he was faithful and true to his obligations, deeply interested in the prosperity of the Order, courteous and considerate in all his intercourse with his brethren.

As a physician he held a foremost place in the ranks of the profession, honoring it as it had honored him. He possessed in an uncommon degree the confidence of those to whom he ministered and won their esteem and affection.

As a citizen and in all the relations of life he was above reproach.

As a testimony of respect to our departed frater, it is hereby

Ordered, That the Swords of Grand and Subordinate Officers, and the Altars of the several Asylums within our Jurisdiction be draped with the emblems of mourning for a period of sixty days from the receipt of this order. And that this order be read at the head of each Subordinate Commandery at its next regular Conclave, and be spread at length upon its records.

Peace to his ashes, Rest to his Soul.

Dated at Central Falls, R.I. this 8th. day of February A.D. 1889. A.O. 771.

To the Grand and Subordinate Officers and all Knights Templar within our Jurisdiction.

The Angel of Death has again visited our Grand Asylum, and taken from our ranks, another of our honored fraters.

Right Eminent William H. Kent,

Died at his residence in Charlestown, Mass. Thursday, February 7th. 1889, in the 66th. year of his age.

He was the first W. Master of Faith Lodge; the first Eminent Commander of Coeur De Lyon Commandery, and Right Eminent Grand Commander of this Grand Commandery for the years 1881 and 1882. He had held many positions of trust and honor, among them that of Mayor of the City of Charlestown, and in them all he displayed true sterling qualities of integrity and faithfulness to his convictions of duty, which won the respect and confidence of his fellow citizens.

As a testimony of respect to our departed frater, it is hereby

Sir Green Davis. Eminent Commander. Newburyport Commandry K. T.
Eminent and Dear Sir.

On this solemn and most appropriate occasion we meet to commemorate the world wide event which happened nearly 2000 years ago, and which was destined to influence the religious convictions of the world, change dynasties, and lead human beings to a more noble and truthful knowledge of the infinite power and mercy of their Maker.

Three centuries after the advent of this glorious Savior of new circumstances arose which in the land of his nativity, life and death was calculated to bring discredit and dishonor upon the precepts which it was His mission here to inculcate.

Immediately, among the civilized and Christian nations of the earth there arose cries of horror and dismay at this desecration of everything which they held most dear and holy. From every town and hamlet, from kingly palaces and Baronial halls, from every country in Christian Europe, there was at once a simultaneous up-rising to defend that which was held to be the bulwark and guide of Christendom.

The glorious deeds of the Crusaders first led by Peter the Hermit and most ably seconded by King Richard and many other most valiant Knights and Nobles it is not necessary for me in a Commandery of Knights Templar to repeat. Many of them are familiar to us in our Rituals and others are of more public knowledge.

For nearly eight centuries the Order thus founded continued to exist as originally conceived. After their first glorious successes they attained mature growth, and finally like most earthly things, sank into decay and oblivion through persecution and death by every conceivable torture inflicted by those who were unable to appreciate the glorious truths for which Knights Templar through long ages have shed their blood.

But thankful are we today, that, although their mortal bodies perished at the stake, the immortal principles of their Order still continued to exist.

Fathers taught their principles to sons and sons to their descendents and so the principles and in great the Rituals of the Order of the Temple were handed down to more modern times and more modern civilization.

If not directly from the loins of the ancient Knights of Cyprus, Malta and the Holy Land the more modern but still ancient order of Knights Templar as we know them are their direct and worthy successors, now thoroughly and strongly established in Every civilized nation of the earth.

Their principles and precepts are ours, and the immortal cause for which they fought is still as fresh and green in our practices as they were with our predecessors sixteen centuries ago.

In that vast stretch of time though some changes in the Ritual may have been (and probably have been) made in non-essential things to adapt them to modern exigencies yet the essential principles still remain, as ancient fountains, prolific thousands of years ago, still continue to flow though perhaps in slightly different channels.

Our fathers thought it wise to amalgamate with Free Masonary or rather to rule that none but Free Masons should join our Orders.

Excepting this we have but little in connection with that Ancient and Honorable society.

Our union with Free Masonry dates from ancient times but if that union had never been consumated Knights Templar would have existed throughout the world.

The principles inculcated by the immortal De Molay and other martyrs to fanatical and ignorant zeal can never be eradicated.

The true Cross, once despised, is now the recognized and predominant signal of religious freedom throughout the world.

We are outwardly and inwardly believers in the meek and lowly Son of God whose symbol the Cross is.

It was to rescue the birthplace and the places made holy by His presence from Moslem fanaticism, that King Richard and all the other valiant Sir Knights

of the Crusades wielded their swords. To perpetuate the principles for which these ancient Sir Knights fought and died we are assembled to day.

Their valiant efforts and Knightly actions are well perpetuated in these volumes which, for the perusal of the Sir Knights of Newburyport Commandery I beg to present to them through you their worthy exalted Eminent Commander.

With all Knightly regards I beg to remain.

Courteously Yours.

(signed) John C. Risteen.

Sir Kt. Kimball moved That the thanks of this Commandery be tendered to past Em Com. Sir John C. Risteen for his thoughtfulness and kindness to this ancient Commandery and that his communication accompanying his generous gift be spread upon the Records. – Question put and declared passed in the affirmative.

The following Order from the Grand Commandery was presented.

Grand Commandery of Knights Templars
And
Appendant Orders of Massachusetts and Rhode Island.

To the Grand Officers, Members, the several Commanderies, and to all Knights Templars within the jurisdiction of our Grand Commandery.

"Dead! he so great, and strong, and wise,
While the mean thousands yet drew breath;
How deepened, through that dread surprise,
The mystery and the awe of death!"

Suddenly, and without any premonitory symptoms, the

Rev. John N. Dadmun

was stricken with apoplexy, on August 6. 1890, and a life of singular usefulness was closed, while yet the lookers-on were expressing surprise at seeing him fall.

For a quarter of a century he had been Chaplain and Superintendent of Schools at the Deer Island Institutions, owned and managed by the City of Boston.

He was elected Grand Prelate of the Grand Commandery October 20. 1882, was continued in office until death, and was always ready, cheerful, and efficient in the various services he was called upon to render.

Born in Hubbardston, Mass., December 20. 1819 he engaged in the ministry of the Methodist Church at the

age of nineteen years, was made a Mason early in 1859, and during the four years following he received all the degrees in the American System, and those in the A.·. and A.·. Rite to the thirty-second degree.

Past Master, Past High Priest, Past Grand High Priest, Past M.·. I.·., Grand Master of the Grand Council, Past Eminent Commander of De Molay Commandery, and President of the Massachusetts Convention of High Priests, he won respect in all for his fidelity, and secured the affection of his brethren by reason of his familiar manner, his patient bearing, and his truth of character.

As a member of the Committee on Correspondence in the Grand Commandery, his work was in harmony with his character, and was sustained by his superior knowledge.

That he has left his impress upon the age in which he lived, is attested by many witnesses, and we are the better for his living.

It is hereby Ordered, That the swords and jewels of Grand and Subordinate Officers, and the altars of the several asylums within our jurisdiction, be draped with emblems of mourning for a period of Sixty days following the reading of this Order.

And further This Order shall be read at the head of each Subordinate Commandery at the first Regular Conclave after its receipt, and entry thereof shall be made in the records.

Done at Boston, Mass., this 29th day of August A. D. 1890, and of the Order, 772

Born in Bath Me.
Died in Amesbury, Mass. June 2. 1891.

It is with feelings of sorrow born of personal acquaintance and friendship that we record the death of Sir Knight, Frank Sumner Jarbox.

The deceased was a native of Bath, Maine, and was Educated in the public schools of that city. He came to Amesbury and opened an office in the employ of the American Express Company in 1885. and by too close and long continued application to business, was prostrated. Sustained by his indomitable will and courage and his determination to perform his whole duty, although ailing, he remained at his post until the last day of May.

Two days later he passed home, quietly and peacefully, enjoying in his last moments the tender loving care of his father and mother and the devotion of earnest friends.

His remains were taken to Bath and borne from his father's home by the Sir Knights of Dunlap Commandery No. 5. K.T., and were interred with Masonic Honors. Eminent Sir William B. Palmer pronouncing the beautiful burial service of the Commandery in a feeling and impressive manner.

The deceased was made a Mason in Solar Lodge in 1886. He attained to the Capitular degrees in Trinity R.A.C. in 1887; to the Cryptic degrees in Amesbury Council R.S.M., in 1889; to the Chivalric Orders in Newburyport Commandery in 1889, and died June 2nd, 1891.

He was a loving and affectionate son and was possessed of a high sense of honor and discharged every duty of trust and responsibility imposed upon him with conscientious zeal and fidelity.

To those of us who were permitted to share his Companionship, the affliction we feel cannot be expressed in words: memory will always recur to them with delight saddened indeed with consciousness of our bereavement.

To his parents and relatives we commend as a balm for their wounded spirits that fountain to whom rich mercy we must all fly in times of affliction.

Grand Commandery
of
Knights Templar and the Appendant Orders
of
Massachusetts and Rhode Island

Office of the R.·. E.·. Grand Commander
Worcester, Mass, March 7. 1892.

To the officers and members of the Grand Commandery, the several Subordinate Commanderies and to all Knights Templars within the jurisdiction of our Grand Commandery:

"Immortality o'erwhelms
All pains, all fears, all time, all fears; and peals
Like the eternal thunders of the deep
Into our ears this truth — we live forever!"

After a short illness, in the forenoon of March 3, 1892,

R.·. E.·. Sir Nicholas Van Slyck.

Past Grand Commander of Knights Templar of Massachusetts and Rhode Island,
and
Grand Junior Warden of the Grand Encampment of the United States of America.

was summoned to his reward on high, and again the doors of the Celestial Asylum above have been opened to receive all that was immortal of one who was in word and deed a valiant and magnanimous knight. He had served this Grand Commandery in positions of responsibility with energy, zeal and unusual executive ability.

He was a member of Calvary Commandery; and in December, 1871, was elected Eminent Commander, but declined installation, having been elected the previous October Grand Commander of this Grand Commandery, serving as such for two years. In 1889, he was elected Grand Junior Warden of the Grand Encampment of the United States, which office he held at the time of his death.

In the A.·. A.·. Scottish Rite he had attained the 33°, and was an honorary member of the Supreme Council N.M.J.

Born in Pine Plains, N.Y., July 28, 1829; removed to Providence, R.I., in 1855, where his rare talents, skill and ability soon called him to positions of responsibility and trust. He was a man of strong feelings, and in consequence was exceedingly devoted to his family and deeply attached to his friends, whose interests he was ever zealous to promote.

In the death of this good and amiable man, society has lost one of its brightest jewels and Freemasonry an ardent, earnest and enthusiastic adherent. Devoted to the interests of his profession, faithful to every trust committed to his charge, his entire life is a monument of noble endeavor in good works.

Though far removed from our mortal eyes, his memory can never wholly fade. The enduring record of a pure and spotless life is his, and the high ideal which he so fully encompassed remains to us as a glorious heritage.

"The wealthiest treasure to his lot shall fall
Whose heart, receiving, still returneth all."

It is hereby ordered, That the Swords and Jewels of Grand and Subordinate Officers, and the Altars of our Asylums, be draped with emblems of mourning for a period of ninety days, and that this Order shall be read at the head of each Subordinate Commandery at the first regular Conclave after its receipt, and that it be entered upon the records.

Newburyport Commandery K.T.
In Asylum April 21st 1892.

Another Sir Knight has fallen from our ranks; George Montgomery, M.D. was born in New Hampshire in 1834 and moved to Newburyport in 1870. He was raised in Winnipesaukee Lodge F. & A.M., Alton N.H., exalted in a New Hampshire Chapter, and knighted in Newburyport Commandery January 15th 1891. Ill health had prevented his ever attending our meetings. He started for the South hoping that a warmer climate might bring back health and strength, but only reached New York City to die at his daughters on the 17th of March 1892, aged 58 years.

As a man, as a mason, as a Sir Knight we cherish his memory and to it devote a page in our Records. Accepted and adopted.

To the officers and Members of Newburyport Commandery K. T.

Sir. Kts.

The Committee appointed at the regular Conclave in Dec. last to take into consideration the celebration of the Centennial of Templarism in Newburyport in the year 1895, and also to devise a plan for raising funds for that purpose, and for the expenses which the Commandery will incur in taking its proper part at the Triennial Conclave of the Grand Encampment to be held in Boston in the same year, would report as follows.

First It is the opinion of the Committee that Newburyport Commandery will be fully warranted in celebrating the Centennial of Templarism in Newburyport in the year 1895.

Second Should the Commandery conclude to celebrate both Events, that immediate steps should be taken to secure ample funds for such a celebration as well as for the expenses of the Commandery at the Triennial Conclave.

Third. That a sum of not less than $3500- will be necessary for the purpose.

Fourth. Should the Commandery deem it expedient to celebrate the Committee would recommend that a printed circular setting forth these facts be issued and a copy mailed to every member of the Commandery, with each circular to be enclosed a card to be signed as a pledge for such amount per month or in one sum as each Sir Knight may be willing to subscribe.

Grand Commandery
Knights Templars and the Appendant Orders.
Massachusetts and Rhode Island

Office of the R.: E.: Grand Commander
Boston, Mass. April 8. 1893.

To the Officers and Members of the Grand Commandery, the several Subordinate Commanderies, and to all Knights Templars within the jurisdiction of our Grand Commandery.

"To tell the story of a well spent life,
The Mason true builds his own monument;
But not of bronze, nor yet of marble white -
These soon are gone.
A richer life is then his monument,
Which through the ages grander will become,
As it may daily breathes his spirit, and is spent
To help and bless mankind."

In the early morning of April 1st 1893 at his residence in Haverhill, Massachusetts.

V. Ill. Sir Nathan S. Kimball

Deputy Grand Commander of the Grand Commandery of Knights Templars, of Massachusetts and Rhode Island, was summoned by the Angel of Death, to lay down to rest, and we hope to reap the reward of his well spent energies. "Alas! what trophies death has borne away!" So his death brings a sad sense of loss, a pang of personal bereavement to all who knew him.

He was born in Haverhill, Mass., October 7th 1820. where his social and business life has been spent, his sterling qualities and upright character soon calling him to offices of responsibility. Prior to Haverhills becoming a city he was for nine years a selectman, and had served the city as an assessor; in 1858 and 1859 he was

elected and served as Representative in the Massachusetts Legislature, and in 1870 he was elected State Senator from the Third Essex District. He had also served the City of Haverhill as its Chief magistrate for two years, and was a Trustee of the Public Library and City Hospital, all of which positions he filled with faithfulness and fidelity, winning universal respect.

He was raised in Saggahew Lodge, F. and A. M., March 20th, 1865, was its Worshipful Master in 1868. 1869 and 1870, and was also a Past Grand Warden of the Most Worshipful Grand Lodge of Massachusetts; exalted in Pentucket R. A. Chapter, November 30. 1866, and a member of Haverhill Council of R. and S. M. He was knighted in Haverhill Commandery, K. T., May 29th, 1868, serving as Eminent Commander in 1874. 1875 and 1876, had filled various offices in this Grand Commandery, and at the time of his death was Very Eminent Deputy Grand Commander.

Our order mourns the loss of one of its most esteemed and honored Prelates; and the whole community joins with us in regret at the departure of a citizen whose life has been, in no ordinary degree, blameless and useful.

"Our army of the living God,
To his command we bow;
Part of the host have crossed the flood
And part are crossing now."

It is hereby ordered, That the Swords and Jewells of Grand and Subordinate Officers, and the Altars of our Asylums, be draped with emblems of mourning for a period of ninety days from the date of this Order, that this Memorial shall be read at the head of each Subordinate Commandery at the first regular Conclave after its receipt, and that it be entered upon the records.

(signed) William H. H. Soule
Grand Commander.

The Em. Com. announced to the Commandery that at the next regular Conclave in May that we should be visited by the Grand official who was assigned to Newburyport Commandery for visitation and inspection. and it was also expected that the Grand visiting official would be accompanied by other officials of the Grand Commandery.

Sir Kt Lovejoy, moved, that Sir Kt Recorder be directed to forward an invitation to the officers of the Grand Commandery to accompany the visiting official on his annual visitation and inspection next month. - Question put and carried in the affirmative.

The Em. Com. announced that our pilgrimage for the celebration of the day was to be Boston and vicinity on the invitation of Boston Commandery extended to Newburyport and Haverhill Commanderies with their ladies. to join them in a trip down Boston harbor to Nantasket beach, where one of the Largest hotels was to be devoted to our service, previous to which the three Commanderies would parade through some of the principal Streets of Boston.

The day did not open so propitious as might be

desirable for such a trip - Some timid ones did not appear, - as it was, however Seventy three ladies attended, anxious to see what a celebration of St. Johns day amounted to.

The lines were formed and headed by the full Cadet Band of Newburyport the line of march was taken for the B. & M. R. R. Station in this city, where the Sir Kts. were joined by the ladies.

A Special train conveyed the Commandery and their ladies by the Western Division of the B. & M. R. R. to Haverhill, where we were joined by Haverhill Commandery, with about 75 Sir Kts and Ladies in about the same proportion as our own.

On the route from Haverhill to Boston every lady of the party, was presented with a magnificent bouquet of cut flowers, thoughtfully furnished by a committee from Boston Commandery delegated for that purpose.

Arrived in Boston late, being delayed by the tardy movements of freight trains allowed to get in before us. - Boston Commandery however being the Only sufferers as they were in line waiting our arrival.

The lines were speedily formed on our arrival in Boston and the three Commanderies with their three fine military bands made an imposing parade through some of the principal streets of the City, to the Steamboat wharf, where the ladies of the party had preceded us

The trip down and about the harbor was delightful, the threatening clouds of the morning had "rolled by" and old Sol was radiant. The lunch aboard the Steamboat on the downward trip was enjoyable.

Arriving at Nantasket beach, the order was go as you please or go as you please without any order, the only attempt to organization being the massing of the three military bands and this was done in fine style - It was Stroll and wait for the long expected banquet, which was expected to be the great feature of the day. - but tell our lady friends who were with us that this proved to be the only thing for the day that was not Templerish.

The members of our band, detailed to make sweet and melodious sounds while the Sir Kts and Ladies were regaling themselves at the banquet, got left. They would have deemed themselves fortunate to secure even such rations as the Fair whom day we celebrate was accustomed to furnish.

Otherwise the day proved to be very enjoyable. Boston Commandery evidently doing all in their power for the enjoyment of their guests.

The return trip was but a repetition of the going and all arrived home safely.

Newburyport Commandery returning to their Asylum in good order. and thus ended another anniversary of St. Johns day.

Commandery declared closed without form.

This being the Annual Conclave the Em Com presented the following Report

Newburyport Comdy. K. T.
Newburyport Sept. 21. 1893.

To the Officers & members of the Comdy.
Sir Knights.

My Report as Commander will be very brief & simple. - It is my duty to inform you that the present membership of the Commandery is one hundred & forty - There have been created in the two years past Eighteen Sir Knights and one Companion elected last June is now awaiting the orders. - In the same length of time one Sir Knight has been demitted and we have lost five by death viz Sir Ernest L. Beale - Sir George Montgomery - Sir Edward E. Taylor - Sir Edward P. Russell and Sir Warren Currier.

— May they rest in peace. —

Two of the above, Sir Edward E. Taylor & Sir Warren Currier, were borne to their last resting place surrounded by their companions of this Commandery, and their mortal bodies were committed to the grave with all the honors & solemnities of the Templar burial — At the funeral of each of the others the Commandery was represented by members of the Council and other Sir Knights.

Early in the present year certain steps were taken towards securing adequate funds for the expense of the triennial year 1895 and also for the centennial of Templarism in Newburyport which occurs in the same year. I understand that about $300. has been pledged toward these purposes.

The report of the Treasurer has informed you of the financial state of the Commandery. I regret that the balance in hand is not greater, but I am pleased to state that not more than fifteen or twenty dollars is outstanding in charges against the Commandery and to offset these there are dues of $400. owed by members $150- of which should be immediately collectable.

I wish further to report that I have surrendered the book of ritual under which we have worked for the past six years, and have received in cipher the new ritual, which by order of the Grand Encampment must go into use throughout the United States not later than Jan 1. 1894.

In conclusion Sir Kts. I desire to tender each of you, officers and members my sincere and grateful thanks for the uniform courtesy which I have received from all, during my term of office.

I trust that the future of the Old Commandery may be fair and prosperous

Courteously submitted.

The lines were at once formed and the Commandery headed by the full Cadet Band of this City took up the line of march through some of the principal streets of our city to the Boston & Maine R. R. Depot, where cars were taken for Amesbury. — At Amesbury the lines were again formed as before and the Commandery took up the line of march through Amesbury to the mansion and grounds of Sir Kt. Geo S. Woodbury on "Walnut Hill" where they received a Knightly welcome and entertainment.

A few, too few, happy hours were here spent under the shade of the walnut grove when the line of march was again taken up to the cars of the Haverhill and Amesbury Electric R. R. in waiting to convey the Commandery to Grand Army Park in Salisbury. where the ladies of the Sir Kts had preceded them by the same conveyance under escort of Sir Kts detailed for the purpose. — A sumptuous banquet was

spread at the pavilion, prepared by Sir Kts Fowle and Johnston of the "Colfe", to which all did ample justice, particularly the ladies.

The day was a thoroughly enjoyable one, though hot and dusty, was well tempered by a strong Southerly breeze, which was delightful.-

The only thing regretable was the fact, that in a Commandery of over one hundred active members, so small a number could be found for the one day to take their lady friends to about the only masonic treat they can enjoy.

The Commandery left the grove by electric cars for Newburyport and marched to their Asylum.

To All Knights Templars within the Jurisdiction of this Grand

Commandery.

Dear Sirs.

Your attention is called to the following decisions made by the R.E. Grand Commander, which on the recommendation of the Committee on Jurisprudence were adopted at the Semi-Annual Conclave in May last.

1. The election by a Commandery of one of its own members to honorary membership must be in recognition of eminent services and not for the exemption from dues.

2. When action is to be had on the release of jurisdiction over a candidate who has been rejected, it shall be stated on the notice of the Conclave that action will be taken upon release of jurisdiction over the candidate who has been rejected.

3. The names of all candidates for ballot shall be borne upon the notice of the Conclave at which action is intended.

4. Release of jurisdiction over a rejected candidate shall be granted only upon the application of the Commandery of which the candidate desires to become a member.

5. All notifications bearing the names of candidates shall be transmitted in sealed envelopes.

6. The restoration of a member who has been suspended or expelled from all the rights and privileges of Knighthood, can only be by unanimous ballot, after due notice.

7. Any By-Law is invalid which provides for the exemption of members from the payment of dues on the ground of length of membership, or for the creation of a life membership on the payment of an inadequate sum for the commutation of future dues.

It is ordered that this circular letter be read at the head of each Commandery at the first stated Conclave after its reception.

San Francisco. June 25. 1895.

To the Officers and Sir Knights of all Commanderies intending to be present at the 26th. Triennial Conclave of the Grand Encampment of the U. S. at Boston in August next.

Valiant and Magnanimous Mates:- California Commandery No. 1. K. T., extends knightly greetings to all and begs to announce that, as has been her custom since 1877 in attending the Triennial Conclaves of the Grand Encampment, she will be in attendance at Boston. and will be prepared to extend to all who may visit her headquarters genuine Templar hospitality.

Heretofore this has been done with open doors, and all who came, whether Sir Knights, ladies or citizens were freely welcomed, in consequence of which many Templars and Templar bodies were unable to gain entrance to our quarters owing to the great numbers crowding for admission.- The capacity of our headquarters at Boston will be somewhat limited, and it has been decided, therefore, to issue tickets of admission for the day of our reception, admitting none on that day except those holding our tickets.

In order that every Templar visiting Boston who may desire to honor us with a call, may be supplied with a ticket, admitting self and lady, it has been decided to send out this communication in advance, in order that we may have timely notice of all who may attend the Conclave, and be prepared to deliver the tickets to those applying for them immediately after our arrival in Boston.

Therefore. if the Recorder of your Commandery will fill out the blank, below, giving the probable number of your members who will go to Boston, affix the seal of your Commandery thereto, and forward it to our Recorder, he will have the required number of tickets properly enclosed and addressed. ready for delivery when called for.

When your Sir Knights leave for Boston your Recorder will furnish one of them with a list of the names. attested by him. over the seal of your Commandery, and the same can be presented at our headquarters at any time between Saturday August 24th at 6 o'clock P. Our headquarters at the Parker House will be open for the reception of our visiting Sirs and their ladies on Wednesday August 28th from 9.30 o'clock A. M. until midnight

Prompt action on your part will insure satisfactory results to all.

Please return this letter with your requisition.

Office of the R.E. Grand Commander
Medford, Mass, July 24. 1895 A.O. 777.

To All Knights Templars within the jurisdiction of this Grand Commandery:
Dear Sirs.

The question has come to me from several Commanderies, whether the carrying of the American flag by the Commanderies in the coming Triennial parade is permissible.

In answer to the enquiry, I would state that I can see no possible objection to such a proceeding. On the contrary, as the occasion is, in a certain sense a national one, there would seem to be an eminent fitness in the display of the national colors and permission is given accordingly.

It is ordered that this circular letter be read at the head of each Commandery at the first stated Conclave after its reception.

General Order.

The 26th Triennial conclave of the Grand Encampment Knights Templar of the United States is to be held in Boston during the week beginning Aug. 25th. - It will be a grand affair, in every way worthy of our Valiant and magnanimous Order. and I sincerely hope that every member of Newburyport Commandery will be found in the lines upon that occasion. Our Commandery with its long and honored record should be second to none in its efforts to make the event one long to be remembered by every true Knight of the Temple, and to offending a knightly welcome to the Sir Knights from other States who are to be our guests. - The honor not only of Newburyport Commandery, but also of our fair city will be in our keeping. - Let us see to it that Newburyport's well known and world famed reputation for hospitality shall not suffer at our hands.

Programme.

The grand parade will be on Sunday. Aug. 27th. - Newburyport Commandery accompanied by the Cadet Band. will go by special train. leaving at 6.55 a.m., on the Western division, arriving in Boston about 8.15, then march to Boylston Street and take our position in the lines, which will be No. 2 in the second division near the head of the procession. On being dismissed from the parade we shall march to our headquarters, 78 Sudbury Street, (a very short distance), where the Commandery will be dismissed for the day, allowing the Sir Knights an opportunity to witness the parade, when they can enjoy themselves as they see fit and return to Newburyport when they please, tickets being good on any train during that day or the next. For those who desire to return the same Evening the special train will leave the Union station at 11 P.m.

A continuous lunch will be served at headquarters Sunday and Wednesday.

Every Sir Knight intending to take part in the parade is requested to take his regalia home. see that it is in good order: and to save time. put it on before leaving home and report at the asylum promptly at 6.15 in the morning.

Every Sir Knight must wear dark coat and pants and black shoes. to take part in the parade.

On Thursday. August 29th. the Sir Knights will report at the asylum in full regalia at 9.30 a.m., and march to the depot to receive "Mount Horeb" Commandery of Concord N.H., - "Palestine" Commandery of St. Johnsbury. Vt., "New Haven" Commandery of New Haven, Conn. and "Terre Haute" Commandery of Terre Haute Ind. who are to be our guests for the day. - After a short march we proceed to City Hall and partake of a lunch. Then take the electric cars at the door for Parker River. Then embarking on a Steamer and barge for Ipswich Bluffs where we are to have a first class clam bake with all the necessary fixings to make the occasion an enjoyable one. Early in the evening we embark for home where after a short march we again proceed to City Hall for lunch. After which we shall escort our guests to the depot.

Badges.

The Elegant Triennial badges can be ordered through Sir Knights Safford & Lunt at $1.25 each. - The Commandery badge, which is a very neat design of oxidized silver can be ordered of Em. Sir Knights John F. Johnson at 25 cents each.

Every member participating in the parade is entitled to one and can purchase as many as they desire for exchange by ordering them right away.

Drill.

Every member intending to take part in the parade is earnestly requested to report at City Hall every night during the present week with belt and sword for drill.

This is absolutely necessary to enable the Commandery to make a creditable appearance on the Street.

(signed) Orrin J. Gurney.
Em. Commander.

The lines were formed at the stated hour Thursday morning August 27. – Every officer of the Commandery was in his allotted place and every Sir Knight in the above Rece of Honor whose physical condition would permit, who was in the country, or not detailed for other duties was in the lines.

The day for the grand templar parade was all that could be desired. – Boston outdid herself in the matter of decoration and accommodation for the grandest Templar display ever seen in this country. and witnessed by the greatest throng the City of Boston ever saw.

No Sir Knight who participated will ever regret the part he took in it.

The Centennial celebration assigned for the 29th of Aug. by Newburyport Commandery was carried out to the letter.

The day opened with a down pour of rain which damped the ardor of some of the invited guests. Mount Hored and Palestine Commanderies came in full force. New Haven and Terra Haute not so well represented. But those who did come will not forget the day or the occasion. even the ladies of visiting Sir Knights appeared in considerable numbers although not intended for a ladies occasion and for which no special provision had been made. a Committee of ladies however took them lady visitors under their charge and the hospitality of Newburyport and its Commandery did not suffer.

Every thing in the programme was carried out to the letter. There was no hitch from start to finish and the Sir Knights of this grand old Commandery may well congratulate themselves on the result of their efforts.

Sir Knights from other parts of the country also participated in our festivities and it is not too much to recall, that our guests may and shall have only pleasant recollections of this old city by the sea, one of the earliest cradles of Templar Masonary on this American Continent.

And this long and happy Conclave was declared closed without special formalities.

The Sirs were formed and Newburyport Commandery were conveyed to Amesbury by the Newburyport and Amesbury Street R.R. to Masonic Hall in Amesbury where Trinity Chapter of Amesbury were assembled. ready to be escorted to the Baptist Church on Main Street where the services were to be held.

The public exercises were opened by the Rev George F. Babbitt, pastor of the church where we were assembled. by announcing that he would read the Scriptures and offer prayer, after which the Order would take charge - His Selection from the Book of Revelation and prayer that followed were evidently intended for such of his flock as were present and not very much for the Masonic brethren assembled. When he had concluded he took his hat and left.

We trust that the beautiful and impressive Templar burial service that followed was all the more appreciated by the large concourse of friends and Masonic companions of the deceased Sir Knight. - The services of a masonic male quartette added much to the impressiveness of the service.

At the close of the exercises in the Church the Sirs were again formed and the remains were escorted to the place of interment, there to remain until

the last trumps shall sound, until the day breaks and the shadows flee away.

The Commandery returned to their Asylum in Newburyport by the same conveyance and were declared closed without form

Newburyport. Mass. March 2 1896

To the

Sir Knights and Brethren.

It being the custom for all Knights Templars to commemorate the central truth of time, viz the Resurrection of the dead, on the queen of all festal days Easter Sunday whenever and wherever the opportunity is given in a public manner, witness Boston and last year the smaller cities, not only of Mass, but throughout our Union, I set me herewith after obtaining the unanimous consent of the Council invite you and your friends, to attend in a body a special service to be holden in the Church of Our Fathers, Newburyport, at 2.45 P. Signed S. James Macfaddin, Rector

Em Sir John F. Johnson moved that the invitation be accepted - Question put and carried in the affirmative.

The Committee to whom was referred the matter of some recognition of the recent decease of Hiram Collins our most aged Member. presented the following.

Hiram Collins.

Born in South Hampton. N.H. May 27. 1807.
Died in Amesbury. Mass January 18. 1896.

"Tis sweet, as year by year we lose
Friends out of sight, in faith to muse
How grows in Paradise our store."

Year by year we are called upon to mourn the loss of valiant and true Sir Knights who have gone to their long home; to sympathize with the living in their bereavement. Can we do nothing more than inscribe the name of a beloved brother and honored Prelate upon our records? Yea, verily, we can weep with them that weep, and offer our sympathy and intercessions that this fellow-soldier of Jesus Christ may have entered into the eternal joys of Paradise.

Sir Knight Collins was made a Mason in Newburyport, May, 1849; was exalted in King Cyrus R. A. Chapter May 17, 1863, and Knighted in Newburyport Commandery #8 Sept. 28, 1866, and from that day took great interest in the Commandery and its work. Although never anxious or soliciting office, he was always present until the burden of years kept him at home. In the early years of his membership, he walked home to Amesbury after the lines were dismissed, as there was no mode of conveyance.

He was a true and valiant Knight, always ready for duty, and one whom corn and wine were generously given to the worn and weary. In Masonry we cherish men like him, not to display as rich jewels for the admiration of the profane world, but for the sunshine they throw around our fraternal gatherings. The fashion of his soul shows the ineffable use of the jewels of our Order, the Square, the Level, and the Plumb. His memory lingers in our hearts, not as the stern monitor, the rigid disciplinarian, but that his days of peace and well doing imbued our Asylum with the odor of incense and filled the hearts of the Sir Knights with a sweet savor.

He was a sincere friend, most unobtrusive in his manner, but with a warm and true heart. It is due to ourselves to bear witness to his worth, and to bear testimony with loving, though sad hearts, to the regard and affection that the Sir Knights of this Commandery entertain for his good name. "Grant him eternal rest, O Lord, and may light perpetual shine upon him."

He was one of the oldest in the service, the first among his equals. May he sleep peacefully beneath the winter's snow and may the flowers by Spring bloom freshly, and the birds of Summer sing sweetly over his grave.

The Em visiting official was pleased to say at this stage of the ceremonies that he had heard of the fame of this old Commandery and was pleased at the reception given him and suite and was at once escorted to the East.

The visiting official proceeded at once with the duty of examining the Charter. Records. By Laws. &c followed by the Roll call by which it appeared there were
32 Sir Kts of Newburyport Commandery present in regalia
8 " " " " "
13 " " Visitors from other Commanderies.

The visiting official then resigned the East to the Em. Com. for the purpose of witnessing the work of the Com.

The Commandery of Knights Templar closed and a Council of Knights of the Red Cross opened.

The Order of the Red Cross was then conferred upon Companion Peter Blitz. Britz

At the conclusion of conferring of the Order. the Em. Com announced to the visiting official "that it was the best he could do under the circumstances." and tendered the east again to that official, but it was declined.

During his inspection and examination the visiting official had discovered a few things on which he commented. First that we had a charter that was worth guarding with special care. That the placing of certain officers which he named was not in accordance with his ideas. his explanation was probably understood by those interested. The Records were all very well except in one important particular viz:- the record of the number of Sir Knights in regalia at ~~every~~ conclave he did not discover. when it was suggested to him that the regulation called for such a record when the Orders were conferred, he knew better and the Recorder was scored accordingly. Reference is called to February 19. 1891. — He did not compliment the work of conferring the Order.
The visiting Grand official and suite retired in the same order they had entered.

The Em Com. announced that a banquet was prepared at the "Wolfe" under the direction of Sir Kts Towle and Johnston to which all were invited, and we trust this effort of the Commandery was satisfactory to the inspecting official and suite.

The Council of Kts of the Red Cross closed.

The Em Commander announced that he was ready to rule, on the enquiry of Em Sir Moses Brown of date of December 19. 1896 "as to the standing of members of this Commandery declared suspended by action of the Commandery March 19. 1896 and presented the following correspondence and his ruling in the matter

Newburyport. January 6. 1897.

R. Em. and Dear Sir:-

At a stated conclave of Newburyport Commandery #3. K. T. held at their Asylum on Thursday, March 19. 1896, it was voted to suspend several members of said Commandery from membership for non-payment of Dues and Assessments. It transpires, as claimed by some of the suspended members and as admitted by the Sir Knights our Recorder, that the action of the Commandery was not taken in the regular form as laid down by the by-laws of the Grand Commandery of Mass. and R. I. adopted by said Grand Commandery on Oct. 30. 1891. a copy of which by-laws was received in due and regular form from the Grand Recorder and is inscribed upon the records of Newburyport Commandery under date of Nov. 19. 1891.

With the above facts in view, I have been requested to rule as to the present standing of the aforesaid suspended members, and I respectfully ask your opinion and advice as to my own conclusion in the matter, which is. That the Sir Knights whom Newburyport Commandery voted to suspend from membership at the conclave held on Thursday, March 19. 1896 for non-payment of Dues and Assessments are still members of Newburyport Commandery No. 3. K. T. in good and regular standing subject to proper and lawful action of said Commandery if said Dues and assessments, after proper notice, remain unpaid.

I have decided as above for the reason that I believe the whole proceedings of Newburyport Commandery pertaining to the matter were not in proper form

according to the Rules and Regulations of the Grand Commandery of Mass. and Rhode Island and therefor void, inoperative and without effect.

Will you kindly give this matter your early attention, as it is my desire to announce my decision upon this question at our next regular conclave, which comes on the third Thursday of the present month

Courteously yours
(signed) John E. McCusker E.C.

Em Sir.

John E. McCusker
Comdr. Newbury[illegible] Comdry. K.T.

I am of the opinion that your decision relative to suspension of members of your Commandery for non payment of dues is correct, and that to suspend them properly strict compliance with the decisions of the Grand Commandery as found in Grand Commandery Proceedings for 1891 pages 92 and 3 must be strictly observed.

Fraternally Yours
(signed) Wm R. Walker
Grand Comdr.

The Em. Com then presented the following ruling of the Question raised.

It appears that upon Thursday March 19. 1896 at a stated conclave of Newburyport Commandery K.T. #3. it was voted to suspend the following Sir Kts. (for list see record of March 19. 1896) from membership for non payment of dues and assessments.— It also appears by statement of Sir Kt. our Recorder that the proceedings bearing upon said action of the Commandery were not taken in the regular form as laid down in the by-laws of the Grand Commandery K.T. of Mass & R.I. which by-laws must be adhered to in the suspension of any Sir Kt in this jurisdiction.— It is the opinion of the R. Em Com. and I will so rule that the vote taken in

Newburyport Commandery on Thursday March 19. 1896 by means of which the aforesaid Sir Kts were declared suspended was irregular void and without effect, said motion to suspend was not properly before the Commandery. for the reason that the previous proceedings toward such suspension had not been in full accordance with the aforesaid bye laws of the Grand Commandery. a full compliance with which in the case of a suspension of any Sir Kt. I deem to be imperative. For the foregoing reason I consider the aforesaid members to be in good and regular standing in this Commandery, subject to regular and proper action of the Commandery if any legal dues or assessments remain unpaid.

Em Sir Wm Brown Mass.

That the assessments levied upon members of the Commandery for the Triennial Conclave and not as yet Collected be remitted, and that the assessment collected from members who did not attend the Triennial be refunded or credited upon the account of said members for dues.

Em Sir Geo Davis moved to lay on the Table and that the motion be made special business for the next regular Conclave and be borne upon the notice.— Carried in the affirmative.

This surprising request was responded to by the Em Com. Sir Kt Lovejoy and Em Sir Davis, all were grieved that he should make such a request, uncalled for, doubted its wisdom and trusted he would reconsider the matter

Grand Commandery of

and The
Appendant Orders of Massachusetts and Rhode Island.

Offic of The R:. E:. Grand Commander
Pawtucket, R. I. April 16. 1897.

To the Officis and Members of the Grand Commandery. the several Subordinate Commanderies, and to all Knights Templars within the jurisdiction of our Grand Commandery:

It is the morning of April 9. 1897. at his residence in South Boston. Mass.,

Most Eminent Sir Benjamin Dean,

Past Grand Master of the Grand Encampment of Knights Templar of the United States of America.
and.
Past Grand Commander of the Grand Commandery of Knights Templars of Massachusetts and Rhode Island.

Was summoned by the Angel of Death to the realms of Light and Life Eternal.

"We, too, shall come to the river side,
One by one;
We are nearer its waters at eventide,
One by one;
We can hear the noise and the dash of the stream,
Now and again this our life's deep dream;
Sometimes the floods o'er the banks o'erflow,
Sometimes in ripples the small waves go,
One by one."

He was born in Clitheroe, Lancashire. England. April 14. 1824. Coming to this country with his father's family when a lad, he was reared and educated in Massachusetts.

Choosing law as his profession, he diligently pursued the study of it in Lowell. Mass. and was in due time admitted to practice at the Middlesex Bar, at once taking honorable rank among his elders.

Transferring his residence to South Boston, he was soon recognized as a public spirited citizen, and was drawn into public service in various trusts: Director of Savings Banks, horse railroads and in many other capacities, to which his fellow citizens solicited his services.

He served the City of Boston in the Common Council in 1865, '66, '73, and '74 to the marked acceptance of his fellow citizens. He served the State of Massachusetts as State Senator in 1862. '65 and '69, his course being characterized by modesty, industry and prudence, sound judgment and freedom from partisan feeling; in 1875 he was elected Representative to Congress from the Third Massachusetts District, and served his term with honor to himself and satisfaction to his constituents. Appointed Park Commissioner for Boston, his services were of the most valuable character; in fact, he may justly be credited with the laying out and success of the magnificent Park system of Boston today. He early in life interested himself in the Masonic Fraternity, and his record in our Order is most honorable, for his influence, sound judgment, zeal and unselfish devotion to the principles of our Order, soon won for him distinction and renown as the first among his equals, and he was early recognized as a leader in the Craft

Raised in St. John's Lodge of Boston. April 24. 1854.
Charter member of, and served as Worshipful Master of
Winslow Lewis Lodge 1857. '58. '59. and '60.
District Deputy Grand Master of the Fourth Masonic District
in 1860. '61 and '62.
Junior Grand Warden of the Most Worshipful Grand Lodge
of Massachusetts in 1863.

Exalted in St. Paul's Royal Arch Chapter, Boston, Mass. in 1854.
Charter Member of and First High Priest of St. Matthew's Royal Arch Chapter.
Raised in Boston Council of Royal and Select Masters, Nov. 16, 1854.
Knighted in De Molay Commandery K. T. of Boston Mass. March 28, 1855.
Charter Member of and First Eminent Commander of St. Omer Commandery.
Served the Grand Commandery of Knights Templar of Massachusetts and Rhode Island as Grand Captain General in 1865 and '66.
Deputy Grand Commander in 1867 and '68.
Grand Commander in 1869 and '70.
Served the Grand Encampment of Knights Templar of the United States as Very Eminent Captain General from 1871 to '74.
Very Eminent Grand Generalissimo from 1874 to '77.
Most Eminent Grand Master from 1880 to '83.

In the Scottish Rite he also obtained preeminence, having been in 1867 invested with the 33d°, and elected an active member of the Supreme Council of Sovereign Grand Inspectors General for the Northern Masonic Jurisdiction, and was for many years the Deputy for Massachusetts.

Few men have lived a stronger life; few indeed have made such loving friendship as fell to his share, and fewer still have left to their intimates such loving remembrance.

But in the midst of all his distinguished services and his illustrious honors his earthly mission has ended; and while as brothers, we can but deeply and sincerely mourn his loss, we can best immortalize his memory by striving to emulate his love and zeal in the great work to which his life was devoted.

It is hereby ordered, That the Swords and Jewels of Grand and Subordinate Officers, and the Altars of our Asylums, be draped with emblems of mourning for a period of ninety days from the date of this Order, that this Memorial shall be read at the head of each Subordinate Commandery at the first regular Conclave after its receipt, and that it be entered upon the records.

The following Communication from the Committee of the Grand Commandery on "Maps and jurisdiction, was presented.

To Newburyport Commandery.

Pursuant to the Order of Grand Commandery the schedule which accompanied the report of the Committee on Map of the jurisdiction is submitted for your examination.

The jurisdiction of the several Commanderies are therein set down as they appear by the State maps under the "half way" rule as near as it is possible to do without dividing towns which has in no case been done, but there undoubtedly are circumstances, customs and usages unknown to the committee, relating to convenience of travel, distance, etc, which have much to do influencing the reception of petitions and which rigid adherance to town lines may disturb. Your careful attention to those portions of this schedule which concern the jurisdiction of your own Commandery is therefore asked in order that all rights hereto for enjoyed may be carefully and thoroughly considered.

The Committee desire the fullest information respecting this important matter, and hearings thereon will be given to such Commanderies as desire it, to the end that the interests of all parties may receive proper attention. Two copies of the schedule are enclosed, and you are requested to note on one copy such suggestions respecting your own jurisdiction as you desire to bring to the attention of the committee, and return the same to the Grand Recorder at your earliest convenience.

(3) Newburyport Commandery has exclusive jurisdiction over Newburyport, Salisbury, Amesbury, Newbury and West Newbury.

The Committee of Sir Kts. appointed to prepare resolutions on the death of Sir Kt. Capt. George T. Woodbury of Amesbury, presented the following.

Sir Kt. Capt. Geo. T. Woodbury.

On Dec. 8. 1897 the life of Sir Kt. Capt George T. Woodbury was closed.

In the circle of our acquaintance we often measure men by their ability to do and dare. They impress us and win our regard not alone by acts of friendship, but by skill in business, success in varied pursuits of life, stern and unwearied devotion to whatever calls up patriotic affection in behalf of the individual, society, town, state or nation.

Our brother Sir Knight Woodbury descended from the Puritan and Revolutionary stock of Woodburys in New Hampshire and their qualities were treasured by him. We can trace him from a farmers son until he appeared as a captain of artillery at "Long Bridge" at the first call for troops by President Lincoln, defending the capital at Washington from attack by rebels, and through four years of service on every important battle scene in which Union troops were engaged.

As a true Sir Knight we see him going to the relief of a wounded comrade on the battle field in the face of carnage and death, where cry for water was irresistable to receive the reward of "God bless you."

As a true Sir Knight we see him on Lake Michigan in the midst of a terrific storm, when passengers and crew, were paralyzed by fear and have given themselves up as lost, he calmly goes to the assistance of the pilot and declares the steamer can be saved if steady hands can hold her course around a bend of the lake in the distance. He takes the helm and by his indomitable courage controlled events to the safety of all on board.

In the business world the same determination brought a small concern in Chicago up to be one of the largest and most prosperous, — a memorial to his skill.

He was not a great captain, no dreamer - no theorist one of the people, a strong worker, but nevertheless a hero, who did well the work committed to him.

He was by some called hard and distant, such

knew not that beneath the exterior he assumed in his struggles with the world there beat a kind, a gentle Heart.

Suffering intensely for several years by illness, yet he manifested little of impatience but bore up under all his afflictions with a will as unconquerable as a fate and when the vision of a happy life went fleeting away and hope had gone he could say with composure - "I am ready, death hath no terrors for me." and thus passed a brave Sir Knight to the world beyond.

Capt Woodbury was made a Mason in 1856 - Exalted Royal Arch Mason in 1866. and created a Knight Templar in 1893.

The Committee of Sir Kts appointed to prepare a memorial on the death of
Em. Sir John C. Kimball. presented the following

We may not unduly praise the dead, and yet it is right that we should pay a tribute of deserved respect to our departed friends and speak of them at the best: it is helpful to ourselves also that we should open our hearts to receive the lessons which the dead always speak to the living. Death makes us tender in feeling and gentle in thought, it brings out most clearly all excellence of character and all worthy service, such as may justly be ascribed to our departed associate. Our brother and Sir Knight was a man of genial and amiable qualities and held a large circle of appreciative friends whose esteem for him broadened and deepened with the passing years.

It is certainly most appropriate that we should seek to place a flower upon the new-made grave where rests the form of a distinguished member of our Order who has recently been called to another and more exalted sphere.

We should consider and keep in remembrance

him from whom for a time we are parted. We are lonely as our friends and comrads go away from us; we cannot forget them: we would not if we could.

Our well known and highly distinguished member of our Order has passed over to the majority. Sir Knight John C Kimball departed this life at his home in Newburyport December 1st, 1897 aged a little more than 57 years. He has gone from our midst. our brother who gained the honors has finished his earthly career and gone forward into the light and life of the immortals. He was made a Knight Templar June 10th. 1867 elected Em. Commander Sept. 1885 and held the office one year. by which he was distinguished for his exalted deeds and usefulness. - The weary, worn body rests in the embrace of mother earth, the spirit ascends to God who gave it. -

Respectfully submitted

The Em. Com. then presented the following Address.

Sir Knights.

One year ago you saw fit be your votes to place me again at the head of this old Commandery, and feeling my inability to fulfill your expectations as you so kindly held, I entered my term of office reluctantly. I have endeavored to the best of my ability to discharge the duties devolving upon me - Looking back upon the year that has passed since the last Annual Conclave, light & shadows appear upon our records, but its a cause for congratulation that the sunshine is far in the ascendency.

Death has come very near to us this year, he has invaded the ranks of our past Commanders & taken a beloved Pastor in the person of Past Commander

John Cleveland Kimball, who served this Commandery for 20 years and was always ready for any call to duty. He was a true Mason "He has Eleven Masters Wages wherewith he is now travelling in foreign countries" — and the Sir Kts and Captains Bray and Woodbary, all of them had at some time followed the sea and rose to be Masters of their profession, it was indeed singular that they should die within the space of a few weeks.

"

For what land has he this time departed,
Who so often went sailing before?
Have we seen him the great & good hearted,
Drift out the last time from the shore?

O. What is the place which can hold him
Who loved the dear earth and its ways?
What arms of new friends can enfold him
That now in that country he strays?

It must be a land of rare beauty
To detain the oft-wandering feet.
Which returned at the first call of duty,
And ever found home-coming sweet.

It must be a land of glad laughing.
For true lips babbling over with cheer:
There must be the loving-cup's quaffing.
For all who held friendships so dear.

There must be high service to render,
Or he, touched by all human need,
Would in heaven, a soft hearted and tender -
But find himself lonely indeed.

Over whatever seas he is sailing.
Whatever strange winds fan his brow,
What company rare he's regaling,
I know it is well with him now.

So, when my last voyage I am making.
May I go, as he went, unafraid:
And, the pilot that guided him taking
May I make the same port he has made!

Christmas Day found old Newburyport Commandery loyal to the Most Eminent Grand Master, and to each own Grand Commandery. — The Sir Knights in goodly numbers responded to the Toast of the Grand Master in a manner befitting the occasion.

Easter Service was observed at St. Paul's Church, and was conducted by Sir Kt + Rev. Dr. Albert Dunker of Malden. Men to collect 60 Sir Kts in full Templar regalia attended.

Brown and Dorthen for assistance during the year, and to your very efficient Capt General, who has always been ready and willing. to do anything to help, aid and assist in the many details both in and out of the Asylum.

May Gods richest blessings rest upon the Sir Knights of Newburyport Commandery

1. An application for a ritual shall be made to the Grand Commander of the jurisdiction.

If to supply the place of a "worn out" copy, the old ritual must accompany the request.

If the application is occasioned because the Ritual was lost or mislaid, it shall be the duty of the Grand Commander to cause a rigid investigation to be made, and if possible, ascertain when, by whom, where and under what circumstances the ritual was lost or mislaid, and who, if anyone, is to blame for such loss or mislaying, and the probability of its ultimate recovery.

If the ritual was destroyed, then when, where, by whom and under what circumstances the destruction took place.

The old ritual or a detailed statement of the investigation, where it has been mislaid, lost or destroyed, shall be sent by the Grand Commander with the application for new ritual to the Grand Master.

In case the application comes from a Commandery under the immediate jurisdiction of the Grand Encampment, then the Commander of the Commandery shall cause the investigation to be made and forward a copy of the same to the Grand Master.

If the Grand Master deems the case a proper one, he shall transmit the papers to the Grand Recorder and direct him to issue one or more rituals to the applicant.

The Grand Recorder shall take a receipt therefor, similar to the one printed in the front cover of the

ritual and shall keep the record of the name, time and circumstances under which the issuance was made and report the same at the next conclave of the Grand Encampment.

2. All rituals are the property of the Grand Encampment. Such of them as have been or may be hereafter issued must pass from the custody of Grand Commanders, Deputy Grand Commanders, Grand Generalissimos, Grand Captain Generals and Grand Recorders of Grand Commanderies and Commanders of Subordinate Commanderies to their successors in office; and Recorders of Grand and Subordinate Commanderies are charged with the duty of seeing that such transfer is made at the time of installation; and the Grand or Subordinate Recorder, as the case may be, shall make a record of from whom and to whom such transfers are made.

The Eminent Commander of each Commandery will be prepared to furnish such information as will enable the Inspecting Officer to fill out the Inspection Blanks, received from the office of the Recorder. As far as possible the work of the evening of the inspection will be the conferring the Order upon one Candidate, and it is hoped that the Inspecting Officer will visit the several Commanderies assigned them, at a stated Conclave before the Annual Inspection and examine the By-laws and Records, and see that they conform to the requirements of the Grand Constitution, and will believe the floor movements and drill of the Commanderies, as this part of the inspection can be done much better at this time, than on the evening of the Annual Inspection.

Each Inspecting Officer will be furnished by the Grand Recorder with two Inspection Blanks, for each Commandery assigned him for inspection, and he is requested to fill them out and send one copy to the Grand Recorder, and one to the R. E. Grand Commander, with a detailed report of each inspection, before Sept. 1, 1900.

To all Sir Knights Templars within the jurisdiction of this Grand Commandery:

The Committee on Christmas observance of the Grand Encampment of the United States of America, has prepared the following toast:-

To our Most Eminent Grand Master Reuben Hedley Lloyd:
May the Lord send him all the blessings which his faithful Knights wish him on this merry Christmas day.

The Grand Master sends the following response:-

Sir Knights: May He, who provides all things, endow you with wisdom and power to illustrate in your lives and conduct the principles taught by Him whose advent we this day commemorate.

Will you join in these sentiments on Monday, December 25. at noon. Eastern Standard time?

While this is a day above all others that should be observed and enjoyed by Knights Templars, in their homes, in the interchange of good wishes and congratulations, yet it is hoped that so far as possible the Sir Knights in this jurisdiction will assemble, for a short time, in their Masonic homes and join with the Grand Commander in sending such a greeting to Most Eminent Sir Reuben Hedley Lloyd, and in wishing him such a Merry Christmas, that he will feel that not only is this Grand Commandery loyal to the Grand Encampment, but that every Sir Knight is truly loyal to our noble Order.

And Sir Knights, in the joyousness of the day, let us not forget those who are less fortunate than ourselves, and may feel that they are as strangers in a strange land, but welcome them to our festivities, for is it not more blessed to give than to receive.

This notice will be read at the head of each Commandery at, and borne upon the notice of, the Stated Conclave next preceding Dec. 25. A. D. 1899, A.O. 781.

Past Grand Commander of this Grand Commandery, who was called to the Asylum Above, at Waverly, Mass, Monday December 11, 1899.

As leaves from Autumn branches blown,
So quickly dear!
Yes, one by one they drop away
As withered leaves that fall and stray
And disappear."

To All Knights Templars within the jurisdiction of this Grand Commandery, Greeting:

Your attention is called to Section 1, Title XXXV, Statutes of the Grand Encampment of the United States, page 68 of the Code, which reads as follows:—

Title XXXV.— Non-Affiliation.

Section 1. Hereafter voluntary non-affiliation in Lodge or Chapter for Six months shall deprive a Knight Templar of his membership in the Commandery.

By recent decision of the M. E. Grand Master, see proceedings Grand Commandery Knights Templars of Massachusetts and Rhode Island, 1899, page 29, as follows:—

George L. Shepley.
R. Em. Gr. Commander G. C. Massachusetts and Rhode Island.
17 Custom House St., Providence, R. I.

Dear Sir and Brother:— Yours of March 6, 1899 requesting my opinion on the construction of Sec. 1. Title XXXV, of the Revised Statutes, reciting: "That section applies uniformly to every Templar after the law was promulgated. When a person not affiliated makes application to Lodge or Chapter for admission to membership, if his petition is rejected, he is still a non-affiliate, but not voluntarily so. Such person would not, in my opinion, come under the ban of the above provision, during the pendency of such application, nor during the space of time which by law he can let pass before he is required to make another application to keep himself in good standing. But if, being a non-affiliate, he neglects to make an application for membership, then he becomes a voluntary non affiliate, and subject to the penalties of the Statute. As you are

no doubt aware, this law makes a different rule from the one which was in force up to the time of its passage. When adopted, there were a great many Templars who were not in good standing in their Lodge or Chapter. To clearly prevent the law from having a retroactive effect, the word 'hereafter' was used, so there could be no doubt that those who were not in good standing could not suffer any penalty for such neglect up to the time of the promulgation of the statute. It was a declaration that that which had not been an offence up to that time should be one thereafter. The definition of the word 'hereafter' carries with it the clear intent that such protection should not be extended to those who failed to affiliate after the law went into force. It is just the same as if the Statute read: 'In the future voluntary non affiliation in Lodge or Chapter for Six months shall deprive a Knight Templar of his membership in the Commandery.'

Courteously yours.
R. H. Shepley, G. C.

You are hereby notified the statute is now in force.

This order is directed to be read at the head of each Commandery at the next Conclave following its receipt and placed upon the records of that Conclave.

Given over my hand and the seal of the Grand Commandery of Knights Templars and the Appendant orders of Massachusetts and Rhode Island this 15th day of January. 1900. A. D. 780.

The Records all right excepting the matter of noting at every conclave the number of Sir Kts in regalia. which seem to be the construction put upon the Order and hereafter Sir Kts will govern themselves accordingly-
The Bye Laws- examined without comment.
The Rituals Red Cross & Temple all right for the Order of Malta, we never had one,-

The Visiting Official resigned the East to the Em Com for the purpose of witnessing the work of the Commandery.

The Com of Knights Templar was suspended and a Council of Knights of the Red Cross opened.

The Order of the Red Cross was then conferred upon

Companion William Gillis of Newburyport

in due form.

The Council of Knights of the Red Cross closed and a Commandery of Knights Templar resumed.

An opportunity was given the Grand Visiting official to occupy the east which he declined but very briefly addressed the Sir Knights present. He appeared from the tenor of his remarks to be fairly well pleased with what he had witnessed. Of course not omitting to state the pleasure it afforded him to be assigned to this, one of the oldest Commanderies in the jurisdiction.

At this point Sir Edmund S. Spalding was noticed approaching the East for the purpose of addressing the Em. Com. which he proceeded to do in his inimitable manner and very felicitously presented from the Members of Newburyport Commandery a Templar Jewell.

Of course it is in order that Em. Com. Ballou was taken a little by surprise, but he soon recovered

his equanimity, thanked the Sir Knights for their valuable gift and trusted he would be able to wear the jewel with honor to himself and to Old Newburyport Commandery.

Sir John McLean Grand Master of the Grand Lodge of N.H. was called upon for remarks which he responded to at considerable length taking for his topic the principles of Masonary.

The Visiting Officers with his suite retired in the same order in which they entered the Asylum

Fully realizing that the work of the Order of Malta, as exemplified in many of the Commanderies within this jurisdiction, is not in strict accord with the Ritual as authorized by the Grand Encampment of the United States of America, at the Triennial Conclave held in San Francisco, Cal., 1883, and feeling that it is from the fact that some of the Commanders have not received a copy of that Ritual, I have this day ordered that the Grand Recorder send to each Commander a copy of said Ritual with a receipt for the same, which you will sign and return to him.

You are hereby notified that on and after this date the conferring of the Order of Knights of Malta in this jurisdiction, by any other form of Ritual than shown on page 47 of said Ritual is prohibited, and that said copy of the Ritual is subject to the requirements of General Order No 2, Series of 1899 and 1900, as issued from this office.

Special Conclave called to hear and act upon report of Special Committee of five in relation to accepting the invitation of Palestine Commandery of St. Johnsbury Vermont.

The Committee of five reported that in the short time at their command of the Sir Knights approached only 27 signed to go - 10 more work on the fence, some of whom might go if the weather we was to their liking at the time. many Sir Kts. were on their annual vacation with many others living in other places more or less remote could not be consulted. thought possibly by the time the excursion was to be made a sufficient number, could be able to go - Report accepted.

The Subject & Situation discussed.
Em Sir John F. Johnson as usual was for going any how, Sir Knight Fisher was very desirous of going, others did not like going with but a corporate guard out of a membership of 150 or more.

Em Sir Knight Worthen Moved That in consequence of the short notice, having no regular conclave, and the scattering of our membership from various causes we decline to accept the invitation of Palestine Commandery and the Recorder directed to notify the Em. In Memoriam.

Sir Charles Chase Dame, K.T.

Born in Kittery Me. June 5. 1819.

Died in Newburyport. January 19. 1901.
Aged. 81 years - 7 months - 14 days

"And indeed he seems to me,
Scarce other, than my own ideal Knight,
Who reverenced his conscience as his king;-
Who spake no slander, no, nor listened to it;-
And we see him as he moved,
How modest, kindly, all accomplished, wise,-
Through all this tract of years
Wearing the white flower of a blameless life."

The lines were formed under the direction of acting Capt. Gen. Em Sir John E. McCusker and the Commandery preceded by the Newburyport Cadet Band proceeded to the late residence of Em Sir Charles C. Dame for the purpose of escorting the body to the Pleasant Street Church where public services were to be held under the direction of the Grand Lodge of Massachusetts. Private services having already been held at his late residence for the immediate family and near friends of the deceased Sir K.

On arriving at the church shortly after 2 o'clock the casket was borne up the center aisle between the lines of Sir Knights with swords at present.- Rev Em Com Rev Sir Oliver A Roberts of Newburyport Commandery now of Melrose, preceded the remains, speaking the words I am the resurrection and the life - The Casket was placed on pedestal in front of the pulpit the elaborate floral tributes making a striking and beautiful background.

The service was opened by Rev Sir O. S. Roberts with appropriate Scriptural selection closing with a poem. Rev Sir O. S. Butler of Graysloan (Penn delen) a Eulogy on Sir Dame closing with prayer.

The Grand Lodge then gathered around the casket- The Harvard Male Quartet of Boston opened the ceremonies by singing "One sweetly solemn thought" in a manner that will never be forgotten by the hearers. The burial service of the Grand Lodge were then most impressively rendered by Grand Master Gallagher and Grand Chaplains Horton and Skinner with responses by the other members of the Grand Lodge, during the service the Male Quartet sang "Nearer my God to Thee" and chanted the familiar words of the wise man "Remember now thy Creator in thy youth" beautifully and impressively. - The Committal was at the church- the Lambskin, evergreen and earth being placed in the casket with appropriate honors. after the benediction the lines were again formed the escort being led by the Newburyport Cadet band and consisted of Newburyport Commandery K.T. No 3 - St. John Lodge of Newburyport - St. Mark's Lodge of Newburyport and Charles C. Dame Lodge of Graysloan. and to the music of a dirge the procession moved through the streets of the City to Oldtown Cemetery in the adjoining town of Newbury.

And as the glorious orb of day was sinking behind the western hills, all that remained of our departed

and beloved Sir Knight was deposited in the family lot covered with the flowery tokens of friendship there to remain "until the day breaks and the shadows flee away."

The Commandery returned to their asylum to the inspiring strains of Sir Arthur Sullivan's glorious march "Onward Christian Soldiers" when ranks were broken and the Commandery closed in due form.

in a fairly creditable manner, allowing ourselves to be the judges. — The Order of the Red Cross closed and a Commandery of Kts Templar opened and the East resigned to the Grand Officials.

Em. Sir Kr. Hobbs reported on the Charter. We appear to be possessed of a wonderful document in this respect if we haven't much else. — It takes three Grand Officials to note its value and show off its beauties. —

Em Sir Kr. Blake reported on the Records "that they were eminently satisfactory."

Another of the Grand officers reported that the Bye Laws to which was appended a valuable historical sketch with list of members but lacking the seal of approval of the Grand Commandry — with a partial list of members. Suggested it be brought up to date and he would like a copy for its valuable historical information.

Em Sir Kr. Flanders summed up the findings — The Copy of the Charter in the possession of the Commandry should be in the Asylum, its for sure. — The Bye Laws should be sanctioned by the seal of the Grand Commandry and signed by the members as they receive the Orders, and secure the signatures of as many members as possible.

In relation to the Rituals of the Red Cross & Temple and Order of Malta, a record should be made of the transmission of the same from one Em. Com. to another.

In relation to the complication of the work of the Commandry he had something to offer. "There appeared to be a lack of Snap." He did not seem to take into consideration that Newburyport Commandry was driven into a little territory in the north-east corner of the jurisdiction with no concurrent rights accorded us like St Johns and Boston Commanderies of the same age as Newburyport. A lot of younger Commanderies have grown up around us taking most of the principal plums which we are not allowed to hold gather. The Atlantic Ocean adjoining is not a very prolific place to furnish candidates for the Order of Knighthood.

He closed by stating that he felt himself honored in being detailed as inspecting officer of three of the older Commanderies St. John — Newburyport and Newport.

The formal exercises of the Conclave duly closed the Sir Knights being invited to attend a banquet at the Wolfe Tavern, where we trow they found sufficient "Snap" to please them. —

General Order No. 5 from the Grand Commandery was laid before the Commandery, as follows:

Grand Commandery of
Knights Templars
and the
Appendant Orders of Massachusetts and Rhode Island.

General Order No. 5
Series of 1900-1901.

Office of the R.E. Grand Commander, Boston Mass. May 1. 1901.

To the Officers and Members of the Grand Commandery, the several Subordinate Commanderies, and to all Knights Templars within our jurisdiction:

"The Battle of our Life is brief,
The Alarm; the struggle; the relief;
Then sleep we side by side."

Never are we so forcibly reminded of this ever-recurring fact as when some noble, high-minded, generous-hearted friend falls by the wayside in the journey of life, and we are left to complete it alone.

On Thursday, March 21, 1901, after a short illness,

Right Eminent Sir Charles Coffin Fay.

Past Grand Commander.
of the
Grand Commandery of Knights Templars of Massachusetts and Rhode Island.

in the very midst of his usefulness, was suddenly summoned from the field of his labors to his final reward.

Born in the City of Lynn, May 21. 1842, and there reared and educated, he was ever devotedly attached to its interests, and which, through years of public service, he helped guard and promote with a zeal, fidelity and capacity, as honorable as they were conspicuous. He was City Auditor in 1875, City Marshal in 1886-87, Common Councilman in 1896-97-98, being its President the last two years; and in 1899, 1900 and 1901 he was a member of the Board of Aldermen and its President at the time of his death. During this long, active and honorable career, besides serving on many important committees he had also been a member of the School Board and one of the Trustees of the Public Library. To all these positions he brought rare gifts for the discharge of their important duties.

Following 4 years service in the army in 1862-63, he entered the Massachusetts Volunteer Militia, regularly advancing in rank and becoming a prominent figure in the organization, finally retiring in 1897 with the rank of Brigadier-General. In this, as in all other pursuits, he was painstaking, and an example of patriotism we can all emulate with honor to ourselves and usefulness to our country.

As a member of the Masonic Fraternity, it is recorded that R. Em. Sir Knight Fay was raised in Mt. Carmel Lodge of Lynn, March 11, 1872, and was its Worshipful Master in '76 and '77; was exalted in Sutton Royal Arch Chapter, June 19, 1872; Knighted May 28. 1873, in Olivet Commandery of Knights Templars, he became its Eminent Commander in '82 and '83. Of this Grand Commandery he was Grand Commander in 1894. Of the Massachusetts Union of Knights Templars Commanders he was President in '97 and '98. In the A.·. A.·. Scottish Rite he was an honorary member, thirty-third grade, of the Supreme Council, N.M.J.

He was a zealous and devoted Mason, a loyal friend and sympathetic Brother, and cherished most liberal purposes for the welfare of the various bodies with which he was concerned.

The sods of his native country will forever cover his familiar form from our sight, but his memory sweet and tender will be cherished among all who knew him; and his worthy example is a precious legacy to all who were within the circle of its influence.

As a tribute of respect to our beloved Frater it is hereby ordered:

That the banners, jewels and altars of this Grand Commandery be draped in mourning for ninety days, and that similar mourning be worn on the jewels, banners and altars of each Subordinate Commandery for a like period; and that this order be read at the head of the lines in each body at the next regular Conclave after its receipt and be spread in full upon the records.

Grand Commandery of
(Seal) Knights Templar and the
Appendant Orders of Massachusetts and Rhode Island.

Office of the R.: E.: Grand Commander
Boston, Mass, May 21. 1901

General Order No. 6.
Series of 1900-1901

To the Officers and Members of the Grand Commandery, the several Subordinate Commanderies, and to all Knights Templars within our jurisdiction.

Sir Knights:

Again we are called to mourn the loss of a true follower of the Cross

"Death like an overflowing stream,
Sweeps us away; our life's a dream;
An empty tale; a morning flower,
Cut down and withered in an hour."

On Friday, May 3. 1901, after a short illness, our beloved Prelate

Eminent Sir Rev. P. Dorrers Finch.
Past Grand Prelate
of the
Grand Commandery of Knights Templars of Massachusetts and Rhode Island,

entered peacefully into his rest, in the city of New York.

He was an honored citizen and a devoted friend. He possessed a vigorous and keenly perceptive mind, enriched by culture, adorned with a poetic imagination and artistic tastes. The brilliancy of his conversation, the readiness and wealth of knowledge, gave him a social charm in general society that was much admired.

His sympathies were easily and strongly aroused in behalf of the suffering and those whom he loved: he was firm as adamant in his support of what he deemed right, and in his opposition of that which he held to be wrong.

He was ardently attached to the friends whom he had found, and his attachment to them grew with his years; his unswerving fidelity and confidence in them were marked features of his character.

As our beloved brother lived, so had he died - bravely and well; like a true and valiant soldier of the Cross! he calmly awaited the approach of the dark messenger, and, in full possession of his mental faculties to the last, went to his eternal reward.

He needs no eulogy of words, no monument of marble to keep his memory green. It is embedded in the hearts of those who remain. In his life's conduct and conversation he was daily in himself a eulogy on the principles of Freemasonry. No stain or demerit came to it caused by any act of his. He was a true friend and Mason, who knit himself with hooks of steel into the affections of all who knew him.

The Masonic Record of our Em Sir Knight was as follows:

Made a Mason in Fredericks Lodge A.F. & A.M., No 14 Plainfield, Conn. 1862; joined Republican Lodge of Greenfield, Mass. 1864; exalted in Franklin Chapter R.A.M., 1864. received the degrees in Titus Strong Council, R & S.M. 1864. Knighted in Connecticut Valley Commandery of Greenfield, Mass., March 19. 1867. He was Worshipful Master in Republican Lodge A.F. & A.M. of Greenfield, Mass., at the time of his death; P.M.E. High Priest of Franklin R.A. Chapter; P.G. Master of Titus Strong Council R. & S. masters. P. Em Commander of Connecticut Valley Commandery, serving in 1885: Grand Prelate of the Grand Commandery of Mass and R.I. in 1891 and 1892.

"Dear Brother and Sir Knight, we part for a little season, but we shall remember your life, follow your example, and do our duty as becomes men and Masons. While life remains, your sturdy manhood, your warm friendship, your Christian life and noble example, will abide with us."

"How sweet a life was his, how sweet a death.
Living, to wing with mirth the weary hours,
Or with his genial tales the heart to cheer,
Dying, to leave a memory like the breath
Of summer, full of sunshine and of flowers.

As a tribute of respect to our beloved, Prelate, it is hereby ordered:

That the banners, jewels and altars of this Grand Commandery be draped in mourning for ninety days, and that similar mourning be worn on the jewels, banners and altars of each subordinate Commandery for a like period; and that this order be read at the head of the lines in each body at the next regular Conclave after its receipt and be spread in full upon the records.

Commanderies who have not complied with the law requiring ten per cent of all Candidate fees to be set aside as a permanent fund, are notified to at once comply with the law and the Inspecting Officers will report any failure to comply.

Special attention is called to the Code of Statutes of the Grand Encampment, which provides that petitions must be signed with the full name. You will therefore see that no initials are used in signing or filling in petitions.

Immediately upon the death of any Past Commander or Officer in your Commandery, a notice of the same should be forwarded at once to the Grand Recorder. The Commander of each Commandery should call the attention of the Recorder of his Commandery to this paragraph, that prompt compliance therewith may be had.

In the event of the inability of any officer to visit a Commandery assigned to him, he is hereby requested to notify the R. E. Grand Commander in time for him to make some other assignment.

The Eminent Commander of each Commandery will ascertain before the visit of the Inspecting Officer the actual number of uniforms owned by the Sir Knights of his Command, so as to be able to definitely report the same on the evening of the inspection.

Eminent Commanders are hereby notified that the Rituals of the Order in possession of the Eminent Commander, will be called for by the Inspecting Officer and must be exhibited to the Inspecting Officer for his inspection.

The Inspecting Officer will report to the Right Eminent Grand Commander on or before July 1. 1902. the actual condition of the Commanderies assigned to him.

The Right Eminent Grand Commander requests the Eminent Commander of each Subordinate Commandery to send a notice of each Conclave to him and also to the Inspecting Officer assigned to said Commandery and to the Grand Recorder during this Templar year.

This Order will be read at the head of each Commandery at the first stated Conclave after its receipt.

General Order
Series 1901-1902
No 2.

Office of the R. E. Grand Commander
Lynn, Mass., Nov 20. 1901. A.O. 783

To the Eminent Commanders within the jurisdiction of the Grand Commandery of Massachusetts and Rhode Island.

Your attention is hereby called to the following regulations and laws, which must be strictly complied with, viz:-

Permanent Fund and Regulations Relating to Life Memberships in Commanderies.

1st. Life membership fees, when established, shall be fixed at a sum equal at least to the amount of fifteen times the the sum required as annual dues, and in no case to be less than fifty dollars. This regulation is in force from the date of its adoption, viz.: May 20. 1897.

2d. That the money received for life memberships shall be invested in the name of the Commandery, and the management and investment of the same be placed in the care of a Board of Trustees, who shall be chosen by the Commandery in annual conclave, and annually make report to the Commandery of the condition and amount of the fund, and how the same is invested.

3d. That nothing but the income of the fund shall be used for any purpose whatever, unless by two-thirds vote of the Commandery, after notice in writing to that effect shall have been made and continued one month, with ordinary notice.

4th. That one-tenth of the fees paid by each successful candidate for the Orders be allotted and paid into such permanent fund.

As several Commanderies have already provided that

the price of a uniform shall be added to the sum required as fees for the Orders, and paid by the candidate at his knighting, and the same rule may be adopted by others, it should be understood that section 4 does not require that ten per cent of the charge for the uniform be paid into the permanent fund.

Receiving Petitions or Balloting at Special Conclave.

Hereafter the receiving of petition for the Orders at Special Conclaves is prohibited and no dispensation can be granted therefor.

The law also prohibits the balloting for candidates at Special Conclaves and dispensation cannot be granted to permit the same.

Relating to Inspections.

Em Commanders will see that on the night of the annual Inspection of their Commanderies, that but one candidate is worked, on such of the Orders as he may determine to exemplify.

Reception of the Inspecting Officer and Suite.

On the evening of inspection, the Inspecting Officer and suite will be received in the manner and form now in practice in this jurisdiction (See Stibbert's 3d Appendix), and at the conclusion of the Inspection the Inspecting Officer and suite will retire in the same form and regulation in which they were received.

Opening Stated Conclaves of the Commanderies.

It is suggested that Em. Commanders, so far as possible, open the Conclaves of their Commanderies in full form, and with all the ceremonies, as laid down in the Ritual.

This order will be read at the head of each Commandery at the first Conclave after its receipt and be made a matter of record.

To the Eminent Commanders and Sir Knights within the jurisdiction of Massachusetts and Rhode Island.

Attention is hereby called to the following Statute of the Grand Encampment of the United States:

Title XXXV., Sec. 1. "Hereafter voluntary non-affiliation in Lodge or Chapter for six months shall deprive a Knight Templar of membership in the Commandery."

The above is a part of the Supreme Templar Law which it is incumbent upon all Knights Templars to obey; it is therefore hereby proclaimed for the information of all Commanders and Commanderies as follows:

All Sir Knights who have demitted from Lodge or Chapter, and all who have been suspended, dropped from the roll or otherwise discharged from membership in Lodge or Chapter for non-payment of dues and have so remained for six months without applying for reinstatement, are non-affiliates under the above law and subject to its penalty, viz: loss of Commandery membership, but before that penalty can be inflicted, complaint must be made to the Commandery or the Commander that the Sir Knight (naming him) is not in good standing by reason of such non-affiliation.

The Commander should then appoint a time and place (which should be a stated Conclave of the Commandery) for hearing on the complaint, cause the Sir Knight to be served with a copy of the same and cited to appear to answer thereto, giving him at least thirty days' notice thereof in order that he may have opportunity to clear himself of the charge.

If the charge be proved, or he fails to clear himself, his name must be dropped from the roll and he thereupon ceases to be a member.

Record should be made of the facts.

After such a dropping from the roll a unanimous affirmative ballot will abolish restive membership.

The following forms should be used in these proceedings:

A Special Conclave of the Sir Knights of Newburyport Commandery was held at their Asylum on the 24 of June 1903.

Conclave called and held for the Observance of St. Johns day in this City and at Hampton Beach, to be Participated in by the Merrimac Valley Commanderies in this jurisdiction. viz Newburyport of Newburyport, Pilgrim of Lowell, of Lawrence and Haverhill of Haverhill; Newburyport Commandery having the following authority for its part in the Observance.

Opened

Organized 1805. Office of the Grand Commander.

June 4. 1903.

To the Eminent Commander and Sir Knights of Newburyport Commandery, No. 3. Stationed at Newburyport, Mass.

Good cause having been shown, I, by virtue of the power in me vested as Grand Commander of the Grand Commandery of Massachusetts and Rhode Island do hereby grant this, my dispensation, authorizing Newburyport Commandery, No. 3, to parade in full Templar Uniform, with Banners and music, on June 24th 1903, for the purpose of observing St. Johns Day.

The lines were formed and the Commandery with the Newburyport Cadet Band proceeded to the B. & M. R. R. passenger station in this city and received the three up river Commanderies and invited guests. Each Commandery was accompanied by a Band and all turned out in good numbers — After the usual ceremonies the line of march was taken up through the principal streets of the City — the morning was a little misty at this time but not enough to trouble the Sir Knights. and this portion of the program was a decided success. after which a collation was enjoyed at City Hall. — After an hour spent thus pleasantly the lines were again formed and the four Commanderies took up the line of march to the depot where a special train was in waiting to convey the entire party to Hampton — at Hampton electric cars were in waiting to convey the Commanderies to the Beach.

Before arriving at the beach the rain had begun to fall copiously which with the mist obstructed the view ocean-ward but the pavilion at the beach was at the service of the Sir Knights— Out door sports had to be abandoned and the time spent under cover with band concerts and the exhibition provided by the thoughtfulness of Sir Kt. E. P. Shaw who brought from Salisbury Beach a band of Colored Minstrels who were unable to perform at Salisbury Beach —

Thus the day was very pleasantly passed the expressed opinion being, that if the Sir Knights could have such a pleasant time under such conditions what might they not expect under more favorable circumstances.
